MONDAY: today is gonna be a good day!! A really really good day!! We are going back in time way way back in time. To summer 2007! Its Jack of all Trades! Each bunk came in dressed as a different occupation. First we had our beautiful head counselors comin in all the way from down south on a little teeny tiny winy farm where they grow teeny tiny potatoes. Speaking of potatoes let's talk about Rifky's hair. Or maybe we shouldn't. Where do you come from where do you go, where do you come from cotton eye joe?? without music we only need Chani, Rifky & ZC to sing the made up words. After some exercise we were off for another day of fantabulous activities. The davening is getting better and better. Beautiful job Ariella Sabo, Malka Fine and Ahuva Toporowitz! While we were running around, our best in shiur girls got their slurpees!! Yum and more yum!! After another inspiring shiur, we had activities (I would say as usual but nothing is usual in Merockdim!!) and before we knew it we were in our lunchroom eating yummy chicken and potatoes. First we had an awesome doughnut race where we had to pass the doughnut from straw to straw without using our hands. Great maneuvering Hudis Schoenfeld, Leah Gittel Herman,

Avigail Megadesh, and Tzila Genuth! Check out the pics to have a laugh or laugh with your stomach. Speaking of doughnuts, Rifky has stories about potatoes, to help her hair grow faster, her mother was definitely not pleased. Poor Mrs. Schoenfeld. After an amazing benching with some special girls winning like Frida Koenig, we were off for some wet swim in the very non-dry pool. Sliding down, laps and swim instruction, is there anything Merockdim does not do?? Back at camp, leagues were played with some very intense games, winners were won and its time for Merockdim fever! It's a job fair! Our ballerinas had a dance off, our bakers searched for items in flour, our policemen were watching red light green lights, our fireman had some duck duck goose or gees?? With water of course, our builders

built jenga, our doctors had an operation where they had to step very carefully. Our garbage men raced in garbage bags our cleaning ladies windexed with water guns and lastly our lawyers practiced the ABC's by who could write it faster??!! What a fair, what a day! So much fun!! We had a blast going around and enjoying the craziness!!

#jackofalltrades

TUESDAY: everybody was lined up. There was a silence that was not heard anywhere. From a distance you could hear the march, the call, the chant, and then the door opened. Out came the line of perfectly straight counselors. Hut 2-3-4, hut 2-3-4!! Get in line get in line!! Can you hear me!! ATTENTION!! Salute!! Its ARMY DAY!! This is no laughing matter! Chavi Spielman get up here and give me 20 jumping jacks!! Shoshie and Ayala did I tell you you can sway, stand in line!! Get over here and give me 10 sit-ups!! Head and shoulders for exercise, we need to get in shape!! Bunk 3A I need 2 laps around the blacktop for that behavior! Great line bunk 7/8! You are dismissed! Off to activities, where we continued to play adventurous sports and worked on our creative arts and crafts! It's time for lunch a pizza bagel lunch but first a very happy birthday to Riki Ciment! With a big Merockdim birthday song for her, she gave her extra doughnut to one screamer

First up a tug of war, with both teams pulling until one team got the other down! Go Leora and her cadets! Then we had a round of who can shoot the head counselors with water balloons??!! Some girls tried like Chani Tversky who succeeded others failed. But it was Hindy Mendelowitz and Chayala Blau who aimed, targeted and wow did they win!! Straight on!! Then we had to crawl on all fours under a camo tarp whiel being water shot at! Kayla Grunwald almost made it but then didn't, they got down and dirty as they made it to the end! At this time all campers went swimming to cool off! We then enjoyed the

beautiful grounds at the boys camp! Zip lining, krazy maze, we even had archery! Girls were biking around the go kart track, playing basketball on the beautiful courts. Our younger bunks had gymnastics with our cool equipment like beams and ropes. We didn't want to leave!! Before we knew it we were back at camp and ready for dismissal!! An announcement! Where going on a trip to where?? Why is Chani rolling Rifky to ZC?? Its bowling!! Whata day!! I can cry from how awesome today was! #whereeveryougo

WEDNESDAY: Good morning PINK Merockdim! Today is trip day!! It's also another fantabulous day, where girls are shining and having fun!! We all lined up in the shade and a good morning camp Merockdim!! How are you?? Fine B'H! lets go fly a kite to the highest height! Or to our activities! Lets daven and listen to shiur, play some sports, or as our elites call it another game of machanayim, we cheered on our teams and even had a yummy water fight while playing duck duck goose. Or geese. Lets go eat some lunch! Lunch is sloppy joes, green beans, spaghetti and as always tuna! Happy Birthday Arlene Sarway! Lets get some acapella music going cuz we need to dance!! Even without our awesome camp song going we had the floor shaking!! Actually shaking not the roof but the floor!! What a party!! The awesomeness doesn't end, we benched and boarded the buses to bowling!! We all got our shoes, set up our

lanes and bowled very lively! Strikes and spears for all!! Ariella Sabo got a strike for the first time ever! Only in camp Merockdim!! And Hudis Schoenfeld won the game with 103 points! Bunk 3A kept us entertained with their beautiful rendition of the camp song. It was an amazingly pink and exciting day!

THURSDAY: its lineup time!! What is that noise?? What's going on? Crazy sounds coming from the doorway...its animals, lions, tigers, Minnie? Unicorns?? Rats?? Bears? Monkeys....its or crazy wacky staff running around all dressed as animals. We ran around not scared at all, that would just be Rifky who woke up Shani to kill a bug. But enough about that! Let's get ready to have a wacky carazy time!! With davening, shiur, and counting our dollars since today is payday!! This week we learned about the details of Parshas Matos Maasei with a focus on following lessons in shiur

- 1)The power of speech
- 2) The importance of Tefillah
- 3) Hakaras Hatov

HISTORY OF PAYDAY..

Payday? Who are we paying, its definitely not me, or probably you. But our Merockdim girls? They are getting paid that's for sure. One of the best parts of Merockdim is that we have Merockdim dollars!! What are thooosee?? I'll tell you! Those are the most incredible and amazing dollars you will ever know, or thoe counselors will! They have specila beautiful faces on them, there

are different amounts for different things. Davening, shiur, benching, activities and randoms of course. Or as well. We collect them, hoard them, play with them, leave them, owe them, hide them, and then lastly count them. And then we get to payday tables of prizes set up, so much to choose from. It's a store and depending on how many dollars you have, you can buy fantastic amazing prizes!!

4) Dealing with Anger
5) The importance of Hachnasas Orchim
What beautiful lessons to learn! Thankyou Rabbi Goldstein! We ran to lunch where had a birthday!! Its Racheli Rappaport's birthday!lets sing a song in honor of Racheliiiiii, that's her name, she loves to play Merockdim games! She gave her doughnut to Dena Max! lucky girl! Who wants a game of speak out?? We do! yes we do! Lets call up Kayla

Grunwald who had some MESSSY BANANAS! With 0 guesses and 2 maybes the truth came out eventually. Next up we had Meira Hoffman, and Hanna Recht both looked funny both took time to guess both are amazing Merockdim girls! Carazy! After an awesome benching and another round of crazy dancing to acapella music that is acapella music. Everybody!!! Floor is on fire!! Off to swim to cool off after a day of hot. FRIDAY: it's a sports themed

day!!or is it?? All of our staff were in sports get-ups so what doe sit mean? I have no idea but It's **MEROCKDIM CHEF!** Its time for our final round of our Second annual Merockdim Chef! After davening and shiur, the finalists lined up at their stations ready to cook/bake their final masterpiece. There were burners and pans and its time to make a really yummy sandwich. You can cook eggs, or use cooked ones, tuna, cheeses, all types of breads, vegetables to sauté or to eat raw, it was their choice, their

work of art. And so it was! After a countdown and hands up, the judges deliberated and with much difficulty winners were chosen. \$100 gift cards were given out to the shared excitement of all! Next half we start a new round of Merockdim Chef! We were off to swim in our delicious pool, and finally it was time for Pizza dayayayayayayay!!

Scrumptious, hot and delicious, what more can we ask for??!! Soda too!! ONLY IN CAMP MEROCKDIM!! Campers and daveners of the week were announced. From there we enjoyed the campgrounds of the boys camp! Awesome games were played! We can't believe that first half has come to an end!!
