SUMMER 2017

WEEK FIVE

## Monday

Second half already!! Wow this amazing summer is flying. We welcomed all our new friends with big smiles and even bigger fun. We made really fun fish snow globes in arts and crafts they were so much fun to keep shaking and watch the glitter fall. Off to a yummy cheesy and potato blintz lunch. Then we had a special surprise!! We had a ventriloquist come to our very own Merockdim! He pulled out all sorts of talking dolls and even a board that we drew came to life. Some campers got to go up to help him, one even became a puppet himself! We were laughing so hard thru the whole show. What a great way to start second half!

## Tuesday

Brr is it winter here? Even a cold day doesn't stop the fun in Mini Merockdim! We made fish paddleballs in arts and crafts which kept us busy for hours. Then we were off to a yummy waffle and syrup lunch with even

yummier potatoes, We licked our lips and our plates clean too! Another super day in Mini Merockdim!

### **Wednesday**

Carnival day! We were so excited! We started off with loads of fun activities. First we got to go splashing down our fun water slides and spraying our friends with the water. We continued the laughing all the way to the Krazy maze and playground. We were off to a yummy macaroni and cheese lunch. We gobbled it up so fast and ran to continue our day. Pre 1 A had a birthday and got delicious doughnuts, Happy Birthday Yaakov Haymov! We had a lot of climbing and playing in the mini golf and then we had a surprise. Cotton candy again!!! We waited on line and got loads of different colored cotton candy. What a great day in Mini Merockdim!

### **Thursday**

We started Thursday off with a bang! Splashing in our super fun water slide pool. Then we were off to food decorating where we made candy sushi with little fishies. Yum yum!!! We were licking our fingers the whole time we could hardly make the sushi. Then we were off to a fish stick lunch, how did they know??!! We climbed around the crazy maze and fire trucks. Then we had a truck come to us, Hatzala! We got to explore the big truck and see all the different machines and gadgets on board. The really nice Hatzala men explained to us what things are used for, thank you Mr. Klahr and Michal and Mr. Kraus. It was super interesting and now we know some of the wonderful things Hatzala does. We licked up our ices and said goodbye to another super day at mini Merockdim.

### **Friday**

Morah Malky on a Friday? What a surprise! We danced with Morah Malky and used all sorts of cool props this week, especially our favorite, the parachute! Pre 1 A celebrated Gabe Soloman's birthday with yummy doughnuts! Happy Birthday Gabe! Then we had yummy Shabbos Party and heard our campers and daveners of the week, who got awards and prizes.
