Merockdim, we are going places.....

MONDAY we are back for another week at the best place on earth! What will this week bring?? Definitely fun and definitely awesomeness! The pinkness that arrived really brought tears to my eyes as I was so happy to see the smiling faces!!! Love it! We ran to lineup, with our thumbs out! A doodadadayay! We all ran to daven and hear a beautiful shiur by Rabbi Goldstein, and were off to activities! Its Zumba for all!! Esti our Zumba director began with the happiest of dances and soon we were all dancing along! Each bunk really enjoyed it! Ear headbands were worn by all of us and Tamar Gelbein cuz we love to matchy match! After playing games of jump rope, machanayim and limbo we were ready to eat deli sandwiches and French fries! After much dipping and picking, we were off to our trip of freezing cold ice

skating at the beautiful Palisades Center Rink! We all strapped on and to the sound of Hershkowitz Music we went skating and sliding and skipping and even some eating. A special mention to Michal Cohen for helping us return the skates! Thanks to all our counselors for helping out! As soon as we got back to camp we ran to the gym to dance some more to our so crazily good and rocking camp song! Fill balloons we're celebrating 20 years!! #PINKTRIPDAY.

TUESDAY: No Camp ☹ July 4!!

WEDNESDAY: Good morning

Camp Merockdim! Are you ready to fly high??!! 20 years have gone by...let's make today a great day! Hey! Merockdimair is ready for takeoff! Flashback to summer 2008! Lineup was exercisingful and shiur was meaningful, activities were joyful and arts and crafts were creatingful. Each camper began to create a beautiful glass plate with figures of their family! It's going to be amazing cuz everything is amazing. Lunch is here! Let's go eat! Meatballs and spaghetti!! Lets all get ready...we are not stead...cuz we love to eat something saucy! There was some healthy green beans on the side "as well as" tunafish! Yum! As soon we were done, we were up on our feet, screaming to the sound of hey hey hey we were up on our feet screaming and dancing with Rachel Fine on the front lines. dynamite! Dinosaur! We all shook the floor!! Benching was

spectacular as Chani lost her voice and Rifky knew all the words! By that time we were swimming in the heated pool as we all got very wet and very cool. Back at camp, we all went to the gym for merockdim fever! Merockdimair is here and we are ready to travel around the world!! First off to Russia to race as we try on our winter clothes. Then off to Israel and not lseal thanks ZC, as everyone wrote letters to Chani, Rifky and ZC! What letters did we get! We love you Merockdim! Then we traveled to New York where we bobbed for

apples in the BIG APPLE, then Hindy and Esti helped us make candy sushi in Japan, with some fluffer nutter without nuts. Last but not least we arrived in Italy where we had a pasta/spaghetti race! We all rotated and danced along to the music! As always good times were had by all! With some yummy freeze pops to end our day, we hope it will never end! #flyinghigh

THURSDAY: after a morning full of trucks and buses, we are ready for the RIDE OF OUR LIVES! All dressed in our amusement park gear, we walked through the ride and onto Merockdim's crazy rides! Its summer 2014! Let's take a walk down memory lane as we all sang our camp song from that year! Michal Ratner, Sara Guy, & Esther Kramer linked hands and sang lets go fly a kite really high and loud! Its food decorating time! Shani Kirshner had us all creating cookie grills, with shish kabobs and franks! So cute! So cayute! Rabbi Goldstein spoke about the details in Parshas

Balak and also discussed the following lessons. 1) Hashem often helps and protects us without our knowing about it. 2) If a person is not working on becoming better he won't change even if he sees a miracle 3) The importance of not embarrassing other people. So after a crisp davening we were off to lunch at the boys camp! It was a yummy Fish sticks and rice lunch! Some rice for me and fish sticks for you, or maybe tuna or none for Rifky only a hobo sandwich. After a #TBT where we sang the camp song from summer 2014, can't believe how everyone even remembered the motions, we went right into our awesome and amazing camp song and we brought down the

HISTORY OF PIZZA DAY..

Pizza pizza pizza pizza day yayayayayayay!! The song that's just music to our ears! The slow soothing sound that we know comes together with the smell of hot fresh pizza and the sight of that oozing cheese and the thick crusty crust that we know and love as a Merockdim staple every Friday! We all wait with anticipation as piles are brought to our tables. We all try

to outdo each other to see who can eat the most slices as there are always unlimited amounts of pizza baked for Merockdim by Shellis Pizza of Monsey. As I write this article, I'm dreaming about hot pizza and I'm humming to myself our famous pizza day song that will forever be an everlasting part of what makes Merockdim **MEROCKDIM! Teams were announced as we had, Kix, Captain Crunch, Grillers, Roasted Marshmallows, Yeezy's, Pumas and so many more! Can't wait to see who will make it through to the final championships! Its time for Merockdim fever!

We all got balloons blown up and taped to our backs, we stood around the whole gym. Then in the center was a HUGE popcorn box filled with popcorn!! We all got cups, then when we heard...things like whoever is wearing something sparkly we ran up to fill our cups before
