We played sports and had food decorating where we made the cutest fishing rod out of pretzels and licorice! Of course we had a fish hanging at the end that Elisheva H went out around eating the ends of. Soon after we boarded those Belz buses that we enjoy so much and arrived at the boys camp for a lunch that was like no other.

After a beautiful benching, we are ready for a swim! Finally!! A short swim, but still a swim! After swim we quickly lined up, watching the clouds or non-clouds as we call it. With our bright white tees on, that we all got that morning and our hands filled with color, our DJ was all ready and set up, with music

At the blare of the horn, or a Chani horn, we were off, color flying in the air, faces alive with color and excitement!! A dance party like no other! With music finally here after 3 weeks without, the camp song back again, we ran like no one was watching, all splattered in color. Rain? What rain?? shade kind of day, a day where shiur is inspiring and sports are played with spunk! We had 7-sticks, limbo and kickball just to name a few. From there we had some awesome leagues, where our spectacular sliders outdid themselves but our superstars came back sweaty! Yum! Off to lunch we go! Meatballs and spaghetti, yummy yummy yummy! The music alive in our lunchroom, we had everyone up and out, dancing and singing. Lets get a dance off going, with Avigayil S going up against Adina Block and some ballet from some cute girls we couldn't help ourselves but get our dance on! Our benching was booming! Slurpees for everyone that won best in shiur as well as 2 very

Our camp song. What can I say. What goes into a camp song you ask. Well let me tell you. SO MUCH!! Time! Effort! And work! Creativity of course! Well first there's choosing the right person to compose the song. Theres the tune to choose and the words that relate to the summers theme. There's hours of going back and forth. There's negotiations. There's do overs and then do overs again.

special benchers!! Ellie G and Tova G, the Geees! Great job! Let's get to swimming gin our very wet pool with our very slippery slides!! So refreshing!! Back at camp we got ready for Merockdim fever!! Lets continue our dance party! Each girl had a song taped to their back, and when their song played they had to stand up and

Approval of the lyrics. Then approval of the overall song. Finally a final song. The excitement for it. Then we listen to it on repeat. And repeat again. Before we know it, we know the song! Its in our heads and we cant stop listening to it. Then the motions are created. Arguing and approvals. Practice and more practice. Finally the breakout!!! It was all worth it

dance! If they stop they are out! When the music stops if they don't freeze they are out! Luckily we didn't have too many girls out, so when the camp song played it was free fall, everyone danced their hearts out! In the words of Blumie S, today was just a GOOOOD day, we all just had FUN!

DINA: hi Chani

Chani: so you started Merockdim, what was it 20 years ago??

DINA: yup, you were a little girl then

Chani: definitely not little, but Dina maybe you can tell us a little bit about the history of when you and Effy began Merockdim

DINA: well we were under the 5 mark then with our kids and we love camp so much so we decided to give all our love and devotion to Merockdim

Chani: that's really great! We are all so grateful that you started Merockdim!

DINA: Merockdim is my favorite thing! Now I have to figure out how I can combine my 2 favorite things

Chani: what's that??

DINA: my own dessert and Merockdim

Chani: you mean you never share? Not even with Effy
