

Dear Parents,

BH NY has lifted its Covid restrictions and the local DOH has put forth guidelines that are changing daily. Below is our safety plan. SAFETY PLAN IS SUBJECT TO CHANGE.

**SAFETY PLAN: SUBJECT TO CHANGE**

**SCREENING-**

Temperature checks will be conducted upon arrival at camp. Campers or staff who run a fever or display any Covid-19 symptoms will be sent home immediately. If your child is ill and or running a fever in the morning, DO NOT SEND HIM/HER TO CAMP! Please have in mind the well-being of other children and staff at camp.

**HYGIENE**

The camp facilities will be cleaned and disinfected regularly.

**VISITORS IN CAMP**

In accordance with DOH guidelines, it is recommended that no parent or visitor should leave their vehicle on campgrounds. If you need to pick up your child, please email the office and we will bring your child to the office and then to your vehicle when you arrive.

**OFF-SITE TRIPS**

We will follow the guidelines put forth for our trips this summer.

Each year we as directors enjoy giving the children an environment of wholesome fun. A place where they can learn, play and build friendships. We ask you to work with us to accept and adhere to these guidelines so we can have a safe and successful summer.

Effy and Dina
